Who We Are

Our desire at Calvary Chapel Redding/Palo Cedro is to build a community of mature believers grounded in God's Word who will go out into the culture, wherever God has placed them, spreading a passion for Christ and His Word for the blessing of all peoples and the glory of God. We seek to do this through uncompromised teaching, genuine compassion, and an unwavering commitment to the gospel.

At every level our commitment is to bring the truth of God's Word to bear upon the lives of our hearers in a clear, practical, and relevant way, that they might be better equipped to live radical, biblically authentic lives in their home, church, community and world. We believe this to be our highest privilege and most important priority in every area of ministry.

We hold very deeply the following four convictions:

The Bible is our infallible standard for faith, doctrine, and practice. Those who resist its authority will be blown off course by their feelings and cultural trends.

Knowledge without application is lifeless. In order to be transformed, we must apply and practice the truth of God's Word in daily life.

Application of these principles is impossible apart from the Holy Spirit. While we must participate in change, he is the source of power.

The church is God's intended context for change. God never intended for us to live isolated from, or independent of, other Christians. Through committed participation in the local church we find instruction, encouragement, correction, and opportunities to press on toward maturity in Christ.

Visitors: If you are visiting with us today, please fill out a visitors card so we can get to know you. It's our prayer that you will catch the vision of Calvary Chapel and become part of our body. If you have any questions, please call our church office.

Prayer: You may fill out a prayer request card and place it in the offering box or if you have an urgent prayer request, please call Steve and Helaine Hoerning, our prayer chain coordinators, at 224-1325.

Giving Envelopes: Envelopes are available on the table in the foyer and at the back of the Sanctuary.

Building Fund: We are very thankful to the Lord and to everyone who contributed the building fund last year! However, funds are still needed to complete Phase I of our building remodel. Currently, we have incurred some debt for building expenses that need to be repaid, and there are still things yet to be done, for example: CCR sign on Deschutes Rd, attic insulation, and parking lot lighting to name a few. We plan to do these as the funds become available. When giving to the building fund - please mark your donation "Building Fund."

Communion: Is held the first Wednesday of each month at the mid-week service and also the following Sunday morning at 9:15 a.m.

Recorded Messages: Messages are available on CD after the service at the media counter in the foyer.
